

ENTRY FORM...

31st Annual Product of the Year Awards

Each January *Electronic Products* announces its Product of the Year Awards for products that represent any or all of the following qualities:

- significant advancement in a technology or its application,
- innovative design
- substantial achievement in price/performance.

If your company introduced, or plans to introduce, a product between Nov. 1, 2005 and Oct. 31, 2006. that you believe meets these criteria, let *Electronic Products* know about it.

Fill out this entry blank and mail it to us with such supporting information as datasheets, brochures, photographs, and news releases. The editors of *Electronic Products* will select the winners from these and other products encountered during the year. The awards will be announced in the January 2007 issue. **Entries must be received before October 27, 2006.**

COMPANY _____

ADDRESS _____

TELEPHONE NUMBER _____

PRODUCT NAME/ MODEL NUMBER _____

BASIC DESCRIPTION (what it is) _____
